Bishop Museum Special Publication Series.

**PapuaWeb - Haddon and Hornell 1938 Canoes of Oceania** To me the perfect icon for Oceania's tropical island people would be the common canoe, crafted from a single log and fitted with an outrigger for balance. This ubiquitous little boat typifies not only the craftsmanship of island people, but is a world-class example of environmental sustainability at its very best. The canoe of today, virtually identical to those described by
